Allowable Subject Matter

1. Claims 1-32 are allowed.

The following is the statement of reasons for the indication of allowable subject matter: The prior art disclosed by the applicant and cited by the Examiner fail to teach or suggest, alone or in combination, *all* the limitations of the independent claim(s) (claims 1,29,30 and 31), particularly trying to minimize routing table size by monitoring packet information in a transmission of packets, and determining whether a preferred routing path is indicated by the packet information, wherein sending updated routing tables that incorporate information of the preferred routing path to the router connected to the edge IP network and all the routers connecting the edge IP network to other IP networks routers when a preferred routing path is indicated.

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan S. Chen whose telephone number is 571-272-4143. The examiner can normally be reached on M-F 8:30am - 5:30pm.
